Everyone had a wonderful time at the annual fish fry. This was one of the best turnouts we've had in recent years. Everyone met new members and renewed old friendships. If you missed it, you missed a great time, and Bud's famous hushpuppies!!

If you haven't been in the lounge lately, you've missed all kinds of things! It is still decorated with the luau theme, which Bonnie and Suzanne absolutely outdid themselves in creating a tropical paradise. It is one of the most fun themes we've had. Hurry and come see it before they take it down.

David Hubbs' birthday party is Sunday August 19, 5-8 p.m. If you attended last year's party, you know to mark it on your calendar. There will be lots of music and food. Gatlinburg Elks are just like Baptists, you say food and we usually show up. It will be a great time for everyone.

Plans are underway for the annual Shoe Fund, which is major undertaking for the Elks. Please, if you can volunteer to help, call the office. There are so many different aspects of this event, we need all the help we can get.
