

2009 Business After Hours Event

We at the Lodge #1925 have had our second Chamber After Hours gathering. Chamber members and officers showered us with compliments on the wonderful food, great entertainment, and abundance of door prizes. The event was very well attended, with more than 150 people showing up to socialize and visit our lodge.

A special thanks to Lenny Hoffman and Ronnie McCutchan for excellent horsd'oeuvres.

Vanessa Morton and Penny Lankford deserve a pat on the back for the great posters they created for the entry, (which were so good they took first place at the State Elks Convention the next day!)

Mac McDonald and Robin Juvinal were outstanding, giving out door prizes, and Chris Davis managed to make us all look good by introducing everyone to the Lodge.

Betsy Cate, once more, pulled a rabbit out of a hat and decorated the place like an expert. Thanks again for pulling it off Betsy.

Everyone we forgotten to thank, please accept our apologies now, there were many more people "behind the scenes" we couldn't name them all, but you know who you are. Thanks.

Fraternally,

John Reagan, David Fairchild
